NATURE'S DECONSTRUCTION

Paintings by MC NOYES

Sculptures by PHYLLIS ROSSER

Artist's Reception: 3rd Friday, April 19, 5-8pm

Oil paintings by MC Noyes and wood sculptures by Phyllis Rosser, find both aesthetic and philosophic commonalities. Each artist's work springs from a shared passion for nature, and the ability to envision beauty and enduring life from amongst disintegration and disillusionment.

On front: Phyllis Rosser, *Riding the Waves*, 2014, Wood, 40 x 50 x 10 in
