### **ART! Just In Time Represented Artist Group Show Opens**

Canal Street Art Gallery presents: **ART! Just In Time** opens January 27th, and is on view to the public through February 27th. All are invited to 3rd Friday Gallery Night LIVE with the Artists on Facebook at 6PM on February 19th. The ART! *Just In Time* exhibit is the inaugural Represented Artist Group Show to premier new artwork, for one month, once a year, from each of Canal Street Art Gallery's current roster of twenty Represented Artists! This includes the announcement of some very exciting and notable newly represented artists whose artwork is premiering in this show.

Now celebrating their 4th year, the Canal Street Art Gallery continues sharing and appreciating new art while helping to support the artists who create it. The CSAG is excited to meet the promotional needs and online commerce demands of its artistic community with its announcement of expanding programming in 2021 to present twelve exhibitions! These include an increased number of Solo Shows, and the New Represented Artist Group Show.

The depth of talent and the abundance of amazing artwork that the Represented Artists have been creating over the last year has been phenomenal! Currently, the public also has the opportunity to engage with the art in the Gallery. All these local artists want to share their new work with you. Do come downtown or settle in at home and see the inspiring artworks from these artists; Clare Adams, Jean Cannon, Spaulding Dunbar, Nancy Fitz-Rapalje, Alexandra Fraser, Kathie Gatto-Gurney, Corinne Greenhalgh, Carol Keiser, Nicholas Kekic, Marcie Maynard, Jeanne McMahan, Lisa Eckhardt McNealus, Martha Nichols, Charles Norris-Brown, MC Noyes, Phyllis Rosser, Melissa Rubin, Matthew Saxton, Gretchen Seifert, and Rodrica Tilley. The CSAG community is grateful to everyone for continuing to buy original art offered directly from the artists and for supporting the local creative economy here in Southern Vermont.
